Clarification

Some members have sought clarification from the Society about Annual renewal charges of Rs.2000/- (Rs. Two thousand only) for Membership of the Society as stated in E Brochure.

We wish to state that when the construction of the Society begins, there will be requirement of accessible office space to manage affairs, visit of members for discussions & paper work / formalities, office staff & its expenses for day to day work and other miscellaneous jobs etc.. Membership Renewal fee will be for only for the limited period from commencement of constructions till possession of residential units to meet expenses as stated above. Annual maintenance charges of the residential complex / Society shall be decided by the General Body of the allottee members after possession.
